

**We are organizing people with the same opinion**  
to form a big group, able to operate against big fraud and betray.

# **Vaccination** **of immune people** **is nonsense**

**Lockdowns** for immune people are nonsense

**Most people are immune against the weak Corona-virus.**  
**The vaccination is more dangerous than the virus.**  
**There must come a selftest on immunity.**

**We agree with everything, which makes sense.**  
**We oppose to everything, which is pure nonsense.**  
**We don't tolerate unreliable governments, coming with nonsense-decisions.**

Remember: we are the 98% : 2%-majority. TrojanHorse-governments, attacking via viruses, lies, vaccinations, are supported by 2% only!

**There is a big world law: big organized groups in**  
**the place of action win against small groups there.**  
**That's why well organized cheaters have a chance.**

***Let's become a big organized group***  
***everywhere to show fraudsters their limits!***

Crucial papers must be readable for everyone worldwide.

***There is no proof, whether the vaccines against the Corona-Covid19-virus will work at all against the new variant, coming from Great Britain, the Corona-Covid21-virus***

**Thus it is absolutely unclear, whether the vaccination against the Corona-Covid19-virus in the new situation**

**makes sense at all:**

**Safe against Covid19-virus,  
but killed by Covid21-virus!**

**Fine result ! Isn't it ?**

**The conclusion of the Government however:  
faster vaccination of more people with the old vaccines !!!**

**Another time a nonsense-decision.**

**Lack of any logica !**

**That shows once more:**

**it's not about the virus,**

**it's about injecting harmful substances into the body of all citizens to gain an end, which the aggressor wants.**

**Sure not a good thing for the victims of the lie- and fraud-operation, impressingly supported by the MSM-**

**media, the lie-media, owned by the billionaires of deep state.**

**It seems, that the dppp-sick children in adult bodies,  
- see [discussion.jaaaa.net](http://discussion.jaaaa.net) explanation of science -  
are loosing control of their WW3-attack on us.**

**The Corona-Covid19-virus was too weak to frighten all people.  
The sick “children! tried to correct that by lying over the  
numbers, and by treating infected people in the  
hospitals with the wrong methods and medicaments, to  
make more of them suffer and die, silencing to death  
medicaments, healing the infection very fast. (Experts  
made the good medicaments known via **GEZOND  
VERSTAND** and other Medias and Internet.)**

**Again this was not enough to frighten people enough.  
Therefore they brought into the game a stronger lab-  
virus. According to them of natural origin. As the first  
one: coming from the Wuhan-lab.**

**Now the efficiency of their vaccines against Covid21  
can be doubted. They are not tested on Covid21!  
So they created doubt against their main instrument for  
the **Great Reset**: the vaccines of Pfizer and Moderna.**

**Not so clever, dear children !**
