

LUSTdamagemakers

screened

For normal people is it very difficult to understand, **why** LUSTdamagemakers make damage: their sick brain rewards them for just that abundantly. They want to get the flash of LUST. That is driving them. It is just as sick as the activity of a LUSTmurderer. Indeed, it's the same brain-mechanism, working here, and it's only a small step for LUSTdamagemakers to become Lustmurderers.

NWO of the LUSTdamagemakers**

Sadists: known that they exist
LUSTdamagemakers: not known that they exist
LUSTmurderers: known that they exist

LUSTdamagemakers are a big 4%- group of people between Sadists and LUSTmurderers.

LUSTdamagemakers hide their lust, when seeing **and making** damage, playing normal, using pokerfaces, hiding their perversion to avoid punishment. They are dangerous guerrillas.

The New World Order of the LUSTdamagemakers (LDM) does not come. It has been promoted by the LUSTdamagemaker and LUSTmurderer and J.F.Kennedy-murderer and ex-president Bush senior, who died short ago on the electric chair in USA because of the JFK-murder and other crimes. See truth unsealed .com (MainStreamMedia(MSM), controlled by LDM, did not report. So, many people are unaware of that fact).

Why NWO of the LUSTdamagemakers does not come?

First, because science has understood and revealed 2017, just in time, the LUSTdamagemaker-phenomenon as a result of an hereditary gene-defect, causing 2 brain deviations in the playing pranks program, in the ppp-complex: 1. the ppp is running all the life of a hit person, does not stop at child age of 10, as normal. 2. the ppp-co-program <damage-limitation>, keeping the damage, made by pranks playing children, within close limits, is damaged and does not run at all. So the hit (group of cooperating) persons can make huge damages, typically without experiencing any conscience, but big fun, covered up, not always well enough. When watching a suspicious person carefully, especially the lips, you can see big lust waves arriving, edges of the lips up, followed by immediate suppression, edges of the lips down. Iterating up and down, up and down. Their conscience vanished as result of the gene-defect. But they possess ratio: they try to avoid punishment. So you can see these LDM-groups damaging society, while manipulating a lot to obscure their guilt. They make it look like an accident. Or they organize a false flag operation. And they work with Trojan Horses, leading the attacked societies into their traps.

Sadism is a well known phenomenon. Sadistic people experience and show pleasure, seeing a damage or hearing of a damage, which has hit another person. Sadists don't hide their pleasure. Unknown has been until now that aside of them a much bigger group exists, experiencing still more damage pleasure, but hiding it and going 2 steps farer: they produce damages to get the wanted lust waves (1.), and they organize their damage activities in such a way, that they can harvest advantages and rewards, f.i. money, f.i. more power. To plan and to realize damage activities costs time and money. When, in the end, they get more money back, then they have earned something. If they get 10 times the money back, very often, which they have invested, then they get rich. With tricks and traps they are organizing damages and they are earning. On top of it they are getting their wanted long lasting lust waves, two until three days of intense damage pleasure per damage case, a kind of being "high", as result of the special brain structure they have and as result of endomorphines, which their bodies produce and shed into the blood. Many of them are enslaved by these endo-drugs and want to repeat and repeat the experience. That's why they are looking around for opportunities to make more damage. Their main drive was and is pleasure gain. However people, seeing their manipulations and as result their money gain, knowing nothing of their hidden pleasure gain, stay thinking, that their main drive is money, money, money. But they are wrong. They didn't look deep enough.

Earning a lot by tricky manipulations with only small costs delivers extra fun for LDM. So, the hereditarily burdened damage pleasure seeking persons are born deceivers. Cooperating in groups they build networks. Business-networks with double bottom. Groups can obscure preparations for a fishing trip better, and can also darken the guilt better, when the prey is on land. The cheated people are groping in the dark. Or – still smarter – for a longer period don't notice the damage at all. (the RoRo-bankers, all

LUSTdamagemakers, succeeded to reach that for decennia by manipulating the money-system). A mixture of damage without culprits and getting always poorer without knowing, why: that is the situation of complete corruption, produced by experienced LUSTdamagemakers.

The people feel: "somewhere are predators!" But when a guerrilla-predator is just in front of them, then they think: "That is the kind neighbour" or "that is the well known specialist from XYZ". Or: "that is my doctor, doing his very best to cure my disease"

That an expert specialist can be also an expert deceiver did not enter in their awareness until now. That does not belong to their think patterns. So deceivers often are playing their vicious pranks "on a higher level of expertise", where they have few spectators and therefore a lot of freedom. People didn't know. People didn't guess. An exception is meanwhile the expertise of the bankers, the jugglers with money. Over them and their money creation out of nothing is talked a lot, and is written a lot. See f.i. the book "Follow the Money". That is why bankers now are said to be an important cause of losses by corruption. That's right. They are. That the hereditarily burdened deceivers and LUSTdamagemakers, who cannot be recognized from the outside, are also present in all academic professions, people have still to learn. Present f.i. under doctors, therapists in medicine (directly dangerous, with great numbers of victims, killed or severely damaged, wracked for life, powerfull groups of LDM-doctors, controlling the "school-medicine", giving her a false direction, treatment of symptoms, not restoring health, but generating time-delayed new disorders in the future, in cooperation with the pill-industry, with the pharmacy in the hands of LDM-people. Calculated, willingly. In cooperation with the factories, producing harmful vaccines, f.i. the BMR-vaccine, a triple vaccine with willingly added composites to damage the brain, having converted millions of healthy children in brain-damaged children with autism-disorder. Calculated, deceitfully, willingly. With all kinds of manipulations to hide the damage before the public in order to generate more victims. See videos, trying to make public the big cheat of LDM-doctor-powergroups. As long as the LUSTdamagemaker-phenomenon is so little known as today, the white collar criminals with LDM-background have the chance to go on and to enjoy. See the photos of main culprits with sparkling pleasure, short-time-eruptions between pokerface-masks).

LDM-people are also present in science professions, in all and everything, what is important to get and hold influence and control. Technology is important to hold people dependant on the LUSTdamagemaker-community, controlling big parts of heavy industry, oil- and energy-industry, car-industry, building-construction-industry, and alltimes more the food-factories and the food-distribution. They use big money in their function as bankers, their first bussiness, as lever to buy and conquer more of that all. Innovations mustn't come and free the citizens of their doninance on these fields. So the technology-sector has to be controlled, the TU's have to be controlled. It mustn't happen, that an innovation gives people really cheap or even free energy and independence from the oil-industry and from the bankers. It must not happen, that an innovative surprise solution to build demountably and much faster enters the huge building construction market. See www.H.jaaaa.net. Suppression of such innovations is a permanent task of control groups in TU's, led by a commando-staff in het Zionist-center BIS-Bank in Basel, as made known by an ex-insider there. The BIS-Bank of Rothschild-Rockefeller is the warship center of the organized LUSTdamagemaker-community for the globe. And normal people don't know.

Thus: deceit on big scale in TUs, on all levels of expertise, is nothing special.

Deceit in politics, in the parliaments, where many experts have a chair, is nothing special also.

Short repetition: The LUSTdamagemakers go steps farer than Sadists: **they produce the damages**, step 1, and enjoy them, step 2. Just the same as pranks playing children, disturbing a neighbor by pushing his doorbell and enjoying his anger, after having hurried to his door, finding nobody. The difference: 1. the LUSTdamagemakers are adult persons with mental and muscel powers of adults, making 2. huge damages, and in most cases now 3. indirectly, while hiding in the scenes to avoid punishment.

Point 3 is dependent on the power situation: where they have (had in history) the power to damage without punishment, they do /did so en enjoy(ed) it and show(ed) their lust openly. In the periode 376 nC until 451 nC a Khasarian army on horses, having invaded Europe, was unbeatable. Without punishment they could do what they wanted, and they showed to be people with the gene-defect, damaging, hurting, killing endlessly, while showing their fun openly. Soon they were known as the devils (in the language of that time the Huns. Hun = Devil. **Their king Attila, the Hun, has found his place in all books of history because of the extent of his blood shedding and cruelty).**

One of the favorite pranks and damage games of lust-damagemakers in power positions today is to sabotage innovations with possible advantage for society in the range of billions or even trillions of Euro. A lot of great innovations vanished, many without any traces, some however with known traces, giving the awoken society hints to start projects to reanimate them. Typically TUs of today, which could reanimate, refuse to do so. Instead they declare: "Nothing vanished! We don't waste our time with complot-theories!". Typical Big-Brother-talk! **TUs are controlled by the organised LUSTdamagemaker-society, bankers, oil-industry, BIS-Bank in Basel, BB, with enormous amounts of money and power.** But the situation is about to change. We shall get back the vanished clean energy-technologies of Nicola Tesla and Stanley Meyer, now replaced by the giantly polluting oil-industry of LDM-corporations, with big profits for BB, a typical BB-project: damage for the people, lust (covered up) and big money for the LDM-society, the RoRo-Zionists, the Hun-population worldwide, many millions of people (but small, compared with 7 billion world-citizens). We also shall get back the vanished Roswell-UFO-Technology, since 1957 in the hands of the lieing and obscuring RoRo-LDM-group (wheather-baloons!), and now, after the big shifts in USA, officially also in possess of the US-Pentagon.

Why NWO of LDM does not come?

Second, because of the successful revolt of the US-citizens. In the elections 2017 they voted for Donald Trump with normal ppp-program and not for Hillary Clinton with inherited damaged, not running ppp-co-program and therefore a driven LUSTdamagemaker, supporting killergroups as ISIS /IS. Often she was seen during child-trafficking events with lustmurder on weak children. In dribs and drabs the blood smeared face of LDM is getting known to the public.

The RoRo-killer-games as 9/11 and IS attributed to the political shift in USA. The RoRo-killer-games in Europe as MH17 (see new video, a large number of proved falsifications by the official JIT-researchers, now refusing to answer questions) and RoRo-killer-activities in senior flats in NL and elsewhere via 5G-radiation from antennas, hidden in apartment walls, will attribute to the political shift in Europe. And Marrakesh, and the vane try to put through 5G in all the country: criminal projects, the one crazier than the other.

Child happy, saved from Lustmurderer Billionair Soros (Schwarz his real name) by special forces of Trump.

Killer-Antennes, hidden behind the white stripe, build in by LUSTmurderers in Woning Corporation in a senioren-flat. Several healthy seniors were killed in slow motion within some weeks simultaneously by damaging radiation. Corporation refused to explain the nature of the installation and hides behind LDM-police and LDM-judges. A killer-cartel.

2. LDM-person H, showing glowing lust
3. LDM-PERSON R, showing crying lust
4. LDM-person H with pokerface

Science has revealed the LDM-phenomenon. The facts are confirming the description of science massively. The guerrilla game of the LDM-groups fails in USA, and in Europe it begins to fail. See the election successes of FvD in NL, becoming the biggest party in parliament from out of nothing. Opposition against the party cartel, LDM-controlled, is the all-important background. Describing the CO2-game of LDM as a farce. What it is. Revealing more and more lies of **gaming cartel-politicians**. Revealing their ongoing exchange game, replacing the strong native populations of European countries by weak Islam populations from Middle East and from IQ70-Afrika still more than today, step by step. Salami-strategy. Revealing their vaccination game, trying to reach 100% vaccination density of young children with manipulated vaccines, producing infertility of the children, when adult, a new kind of their depopulation game, pure genocide. Without conscience, LUSTdamagemakers, developing through, becoming LUSTmurderers, can joyfully manage criminal projects, normal people can not even think of.

Big resistance is coming against their try to install a large and dense 5G-network, giving them the opportunity to control everybody everywhere from behind a computer, shooting damaging 5G-waves into the brains of targeted people. Via computer-button! "Small 5G-cells", f.i. hidden in bus-stations, will make it possible. Our prediction: by announcing this they went a step too far. They will be washed away now in new elections. They will lose power and control. The people is a sleeping giant, weak, when sleeping, strong, when awoken.

The LDM-groups are using already conquered control-fields as lever to conquer more. They are using the pharmacy industry and the schoolmedicine (about 25% of the doctors are disguised LUSTdamagemakers) and alltimes again the money-system, to make more and bigger damage and to conquer more big values. Here, via the vaccination project, they want to conquer our land, depopulated European countries without people, to inhabit it as their home land: the old dream of their king of the past, David Rockefeller.

Depopulation by the plaque in ancient times, and depopulation by the RoRo-LDM-group: how similar!
Is the RoRo-Maffia without conscience the plaque of today?

The bacteria-plaque is completely defeated. What is the fate of the RoRo-plaque going to be?

The normal population has been weak in the past. The population is weak now. We have to see this clearly.
But will it be weak in the future?

The small LDM-population on the planet is weak because of its gene-defect. Its "success" in respect to money and power was only possible, because the normal population, not aware of the guerrilla enemy – sleeping -- was at that time still weaker. But that is changing. Look into the social media. The giant can wake up. He is waking up in steps. The potential to develop is the deciding factor now. **How will the normal population use the knowledge tool, created by science?** Do groups in the normal population, able to use the tool, grow fast enough to defeat the LUSTdamagemakers in time? That's the question. We do think: yes. In order to support the process we organize recognition lessons, interpreting photos of culprits in state 1. poker face, and in state 2. `high-state`, with overflowing fun, pleasure, lust, openly shown. See example¹ the LDM-persons H and R.

In stead of the New World Order of the LUSTdamagemakers (LDM)
the New World Order of normal people is coming. John F. Kennedy sen. in our mind, John F. Kennedy jun. between us, we march forward. **Each world-citizen will be harvesting the benefits, produced by great innovations, those coming and those vanished and reanimated.** Enough cheap clean energy for everybody, everyone living in a solid house, food enough, no hunger, no starvation, knowing about the secrets of health, discovered by scientists. The cheating LDM-schoolmedicine crashed. All innovations will be protected by the WorldPatentOffice WPO, controlled with the EEG-based Memory-Test against infiltration of LDM. This test, www.memory-test.jaaaa.net, is an innovation, created by David Lykken, Professor of Psychology in California. This test is able to discover all LDM-people. Second, they can be unmasked by a DNA-test, finding the damaged gene. Third, they can be unmasked by a simple blood-test. Read www.wpa.jaaaa.net /www.weltpatentamt.jaaaa.net to discover, why the WPA has been founded: in opposition to open extreme deceit in regional patent-offices, especially the European Patent Office, as soon, as the economic interests of the RoRo-LDM-group are touched. The top of the EPA has been conquered via infiltration by RoRo-Maffia, misusing the power to establish economic dominance via fraud. Unbelievable brutal, unbelievable dull and crazy. It's just as if they want to go to jail. These crazy LDM-people must be stopped.

We have done a first step by founding the WPA /WPO, standing on top of the hierachy. One planet, one Patent Office, all regional patent offices branches of the WPO. Part of our NWO. The RoRo-LDM-people in the branches have still to learn, what the will of the world-society is. They have to step aside. They have to be cured to free them from the strong desire to play malicious pranks. There is no chance that all of them will come and declare: "Yes, we want!" Some well. We know already people wanting to be free from the drive to look constantly for victims, for weak people, which they can damage. Most of the LDM-people have to be helped by a bit of force. Programmed automates cannot be changed by talk. That's the reality! We need laws and police.

Do you have an idea, where the **LDM-people** came from earlier? Research in history has revealed, that **most of them are descendants of the Khasarian Huns, now spread all over the world**, having infiltrated Europe as guerillas under false name and then the New World, Amerika. The gene-defect in their DNA-baggage is producing the effects seen. Driven busy with damage games and murder games, in Attila's time and now, is child-trafficking in hidden places their most perverse and repulsive activity today. George Soros alias Georg Schwarz, billionaire and star of the Zionist community, in march 2019 arrested, was unmasked as LUSTmurderer, torturing and killing for fun each week a child in his castle in Switzerland. See www.fotos-gitmo.jaaaa.net, photos 1 and 7. That gives us an idea, what the NWO of the LUST-damagemakers was going to be after the establishment of their dictatorship, based on money power, economic power and political power. 80% of these 3 big levers for their dictatorship are present now, or more. We have to dismantle their networks, we habe to make openly known each of the culprits, we have to smash their power to get our freedom back. Science, giving us knowledge over these dangerous people with guerrilla-strategy, is our lever to free us.

The New World Order of normal people is cultivating innovations and is celebrating innovators. Just the opposite of what the LDM-automates have been doing until now.

In earlier times the nations have been weak, suffering a lot. The plaque depopulated whole countries for 80%. Then science showed up, found the culprit in guerrilla-clothes, a bacteria, and defeated it totally.

Today the nations, strong in relation to bacterias, are weak in relation to a new kind of enemy. They have suffered a lot under the attacks of a new army in guerrilla-clothes, the army of the LUSTdamagemakers for more than 100 years with WW1 and WW2 and more war-games, now Middle-East, secretly ignited by the warship center of the Huns inside the BIS-Bank in Basel, alltimes using their silently working lever: Big Money, for the preparations. The nations are groping in the dark in respect to the culprits, being between them. Again science shows up, unmaskes the culprits, the LDM-gamers, „deep state“, a group of driven automates, forced to make damages, forced by a gene-defect. They have no choice. They have to. We start helping them to change their behaviour. We cure their playing pranks – ppp - program, making it silent, so as it should be in adult persons. Then their ppp-program does not attack them any longer from within with the effect, that they attack us, thereby using guerrilla-strategy, with 1000 tricks. After the cure, their drive is gone. Problem solved.

Breaking news on 22.07.2019:

*J.F.Kennedy junior, who allegedly died with his wife in a plane accident in 1999, has faked his death. He is alive. One of his cover-names is **Q** Anon. He is the mysterious **Q** force, **Q** with similarity to **K**, Kennedy, helping his friend Donald Trump to overthrow deep state, the murderer organisation behind the assassination of his father JFK. Trump and JFK j., a strong alliance! Our task is to form a strong alliance in Europe. The headquarter of the murderer organisation is in Europe. The location is the BIS-Bank in Basel, a bank of Rothschild-Rockefeller. The Rothschild- and Rockefeller-families are the king-families of the Khazaria-Huns, since 1376 a kingdom without country, since then a guerrilla-nation, spread over the world. Since 1897, starting with the Zionist-Congress in Basel, they try to conquer Europe and make it their new homeland. Their WW2-attack on Europe failed. Hitler and Roosevelt, their Trojan Horses, had to leave the battlefield . Hitler fled from Germany to Argentina. Roosevelt fled from USA to hell, accompanied by the death. Later, in 1960, David Rockefeller was the king of the Huns. At the top of the war council of the Huns he gave the order to assassinate J.F.Kennedy 1961. The order was executed by a Khazarian Guerrilla-group in the CIA, led by Bush sen., later US-President. Crazy history of the world. LUSTmurderer and LUSTdamagemaker jumps into highest power position. JFKennedy jun. has got the murderer of his father. Bush sen., by a military tribunal condemned to death, was executed on the electrical chair; end 2018. Secretely. Q&T (J.F Kennedy and Trump) organized the funeral of Bush sen. as a trap for the top of deep state. They came all out of their armed castles and were collected and arrested after the funeral. All that is recorded on video and will be shown to the public. The MainStreamMedia, controlled by the Huns, do not report, afraid to accelerate the collaps of their power system.*

About 1960 the war council of the Huns under king David. Rockefeller decided to start a new attack on Europe in 2 steps, flooding Europe in step 1 with people from Middle-East and Africa, by igniting wars in these regions, creating war refugees. That has been going on until now, showing the brutality of the LDM-Huns without concience, damaging Middle-East nations and Europe at the same time, showing also the weakness of the nations of the world to counteract against this devil strategy. Until now. But times are changing. More and more people are able to see the massmigration-strategy:

*pushing by war and pulling by invitation for war refugees to Europe by 3 main political leaders of Europe, by **Merkel, Macron, Rutte**, the Trojan Horses of the Huns here. More and more people are able to see them as that, what they are really: **Trojan Horses. High traitors. And LUSTdamagemakers**, directly connected with the BIS-Bank in Basel. They are labeled with this new notion, created by science. **LUSTdamagemakers** and **LUSTmurderers** are very near to each other. In the light of the known killer-games MH17 and earlier 9/11, these notions are producing connections in the heads of the citizens. That has consequences. Could be, that new tests are introduced to filter out groups of **LDM-people**, trying to get into power positions in parliament, in government, in economy.*
