## Section: Anti-Deepstate-Disease-Party

Section Anti-Cancer-Disease-Party page 3, Section Anti-Diabetes-Disease-Party page 4

Deepstate, the strongest Killer-Group on the Planet, has been **created by a killer-gene, by a disease**. The Deepstate-groep, defined by this inborn disease, recognizable by sick behavior, lying, misleading, cheating, damaging in 1000 ways, mostly indirectly, and killing in disguise, f.i. via traps is **gathering around the fun source playing-bad-pranks** this fun source streaming out of a defect playing-pranks-program in their heads, the defect caused by gene-defect. Cause and effect:  
**gene-defect** → **brain disease** → Killer-Group with common fun source, individuals cooperating in all kinds of big-damage-activities the killer- and genocide-activities the biggest ones

The strange thing is, that the original killer-group, the Khasar Nation / Huns-Nation under king Attila, the Hun, 400 nC-453 nC, from Khasaria near the Caucasus, is redefining itself constantly, this killer-group known for genocide in 436 nC on the Burgunder Nation at the river Rhein and for other big crimes. Now the group is mixed with many nations around the globe, after having lived between them during about 700 years, since 1250 nC (plaque-exodus partly) / 1376 nC (Dschingis Khan-exodus fully), after having changed appearance and other qualities as intelligence and strength, after big adaptations. It is redefining itself continuously. The individuals, born with the dominant killer-gene, make contact with each other, cluster in physical groups, start cooperating in damage games, specialize in a special type games, one out of many types, **clustering around the seemingly very strong fun source 'damage game'** Those with the recessive killer-gene don't cluster, go other ways, normal ways, don't know of the sleeping killer-gene in their DNA. When they come across damage games of close relatives (with dominant killer-gene), they hate that. But when some of their children and /of grandchildren happen to inherit the dominant form of the killer-gene, these children develop the dppp-brain disease (defect playing pranks program-disease),

start looking around for possibilities to play bad pranks, find other ones, playing already, cluster and cooperate with them, get contact with the underground structures of *the worldwide killer-group deepstate*, hear of the great leader, the secret king, and join. From then on most of them obey to orders of the king. It's a characteristic of the disease, using ppp: normal children, playing pranks between age 7 and 11, find it safer to play pranks in a group, choose+obey a group leader. '**Sick adult children**' show the same behavior.

So, Mr. President, Mr. Donald Trump, and US-Army, execution of massive numbers of deepstate-killerpeople is no remedy, does not help. It's a fault. They reappear out of the DNA-underground in the future. **Only healing of the killer-disease is a true remedy.** And gene-science can achieve this. So, shut down the execution camps and set up science camps to develop remedies for these sick people now, and give scientists the task to exchange the killer gene, where present, through the good gene in the near future! **On the one side.**

**On the other side**, give scientists the task to equip all future humans on this planet with much more intelligence, so that they recognize traps as the pseudo-vaccinations of today and the '1000-needles-pseudo-Covid19-tests' of today and 5G immediately as killer-traps and react by arresting the trappers. **Without killer-group inside and with more intelligence humanity can enter the next phase of evolution.**

The dominion of the killer-gene, the dominion of the killer-disease, the dominion of the secret king grew in the run of 7 centuries. Weaponized with **intelligence, strength and beauty, stolen from the host nations**, the killer-gene brought advantages to the carriers. In societies of weak people, controlling not much, they could cheat, steal, rob a lot. get rich, have many children. **So that dominion of the bloody killer-gene grew to the scope of today, 2% of all.** Now 140 million worldwide with dominant killer-gene. Big groups of them intruded in parliaments, falsifying decisions, Personalized in people, **the defect gene tries to extinct the host nations in WW3.**

*A big plan to use a serie of Genocide-traps is rolled out: vax, famine, 5G and more.*

But the killer-group will go down and be defeated, if it encounters determined resistance and **intelligent strong counter actions**. The persons acting in the top and in the basis of the ds-pyramid are weak sick children, driven by nothing else than brain disease, senselessly destructing brain disease. Behind this disease the defect gene.

The best chess move is now, that a **Global Union of Armies + Police + Firefighters + Citizens** offers this to the war-headquarter of Deepstate, located in BIS, Basel, CH :

**"We set up a big science operation to heal your disease, if you stop WW3-attacks and surrender now. Latest day 1. of may.** If you refuse, hard strikes will hit you immediately. Our firefighters will put your 5G-weapon system down within some days, rolled out by you to burn our cities/houses down by surprise. Your retreat area in the underground bunker- and tunnel-system will be blown up. The giant is stronger than the mouse. Sick children don't have a chance against strong adults."

**Thus, strong adult people: take the plan and act !**

## ***AnDiPa, section Cancer-Disease***

***Cancer is an infection disease, caused by 11 types of Candida parasites. Discovered by Dr. Simoncini.***

***There are simple and unexpensive treatments.***

***Only if 2 components are working together, this infection disease is deadly: a very weak immune system of the patient and wrong treatment.***

***The background of wrong treatment with knife, x-rays and chemo-cure is the strong power position of the deepstate-groep in medicine and pill-maker-industrie, pharma-industry. So the killer-disease is an important part of the whole. More later.***

## ***AnDiPa, section Diabetes-Disease***

***The diabetes disease type 2 can be treated without pills. The main cause of type 2 diabetes is oversupply of food,, especially fructose and glucose, over a long period of time. The body's cells defend themselves against this by dulling their reaction to insulin. In case of a sudden intake of a lot of fructose / glucose (drinking to often too much sweet fruit juices, grape juice, for example), the blood sugar remains in high concentration in the blood and causes damage to organs and blood vessels.***

***The causal therapy is therefore: eat less and more cautiously. It is better to spread small and tight portions over many hours than to eat few excessively large portions per day. Make the body cells hungry again! Moving (stylishly = well coordinated) often for 10 to 15 minutes a day also helps. Fasting every now and then is not wrong: drink 3 sips of water whenever you feel hungry. 1 day or 2 days or 3 days. Ask your body if he wants this! More later.***

# **Strong citizens**

**Strong citizens cannot be manipulated to run into the genocide-traps of the criminal deepstate-powersystem. They cannot be brainwashed by the criminal MSM-lie-Media**

Q Q Q Q Q Q Q Q Q **Q-resistance worldwide** Q Q Q Q Q Q Q Q Q Q

**Vaccination of all is a wrong and absurd Corona-Therapy**

92% of all citizens are immune to Corona C19 or become immune immediately after contact, without symptoms. To vaccinate them is completely senseless. Stronger still, it is absurd. For allergy complications will cause a lot of dead and injured even under yonger citizens  
Q-resistance worldwide! Save as many lives as possible!

**Stop immediately with these absurd vaccinations!**

The few who get stronger complaints can be treated well with medication.

A small risk group of 3% can be vaccinated beforehand, if the vaccines come from reliable companies with no criminal record and if a reliable government controls

**However, the reliability of DE- and ... NL-governments is lost.**

They have a criminal MH17-history. Proof TT-Test. Where are the black boxes of the MH17 ? **Disappeared in JIT in Rotterdam! Ask Malaysia!** So provable! In order to hide their thick lies under thick stones! Weak citizens let push themselves everything through the straw. However, strong citizens don't.

**Who cannot let see a proof of a successful Truth-Test is not allowed to enter the Government buildings !**

Leaked: NEXT STEPS of the Rothschild-Rockefeller-Morgan Foundation, RoRoMo, the WW3 Attackers, the Bankers: In June 2021 they will release virus CC21, 30% more deadly than CC19. In a made famine you get food only on karting. Who refuses (re)vaccination gets nothing and dies. Do you want to die? Or become a sLave?

**Act with common sense against the Corona-Criminals !**

**Weak citizens do not inform themselves and do nothing. Strong citizens do not let things get that far. They demand from 'MH17-leaders', who knows everything, to let see the Truth-Test files. So simple !!!**

**weak citizens . strong citizens**

spread this Q-plate via social media! And as Info-Guerrillas: as a group they appear in crucial places, in front of town halls, on large markets, in front of parliaments..., and suddenly spreadi 300 DinA5 paper plates in form of a Q, and disappear.  
www .Q.jaaaa. net **Q = John F. Kennedy jr. He** comes with a new strong US government. **The US Army is backing him.**

**RoRoMo is the murderer-group, who has assassinated US-president John F. Kennedy and Sweden`s prime minister Olav Palme and many others,** in order to rule via TrojanHorses over the nations (via Bush, Clinton until Obama, now via Clone Biden), assisted by money-control (the bankers! the billionaires!) en media-monopoly. That has worked so far, but does not work endlessly.

**Science has discovered a weak side of the RoRoMo-people:** they are normal looking sick children in adult bodies, playing bad pranks, cheater-pranks to “earn” money and to become rich, murder games to gain power and war games to conquer countries. That has worked against weak citizens and against weak nations, but does not work endlessly.

**Now these sick people got totally crazy:**

via WW3, attacking with virus-weapons (Corona-CC19 until now, CC21 coming in june), “vaccine”-weapons and the **starvation-weapon** they intend to erect a dictatorship over the whole planet, NWO, New World Order, combined with depopulation, killing half or more of all. Via Clone Biden they bought 3500 guillotines in China and placed them in 800 killing-camps, existing in USA already in secrod places, built under their TrojanHorses Bush and Obama.

Now the US-Army is rolling out its plan against the biggest disease on the planet, an auto-immune-disease, a **sick** 2%-group, attacking the 98%-group of mankind.

See: [www .bc.jaaaa. net](http://www.bc.jaaaa.net) , bc=<sup>the disease</sup> **behind Corona JFK junior, the son of JFK, will play an important role in the new US-Government, coming, backed by the army.**

## **Anti-Disease-Party**

*Humanity is suffering from a severe disease. Most people are unaware of it. That makes it worse. Unaware as they are, they are extra vulnerable. Learn about the disease behind the Corona-disease! Learn about face-patterns and behavior-patterns and then stack experience on experience: proof, that you have got a key to understand your world better, able now to see the disease and able to contribute to defeat it. Become engaged !*

*Humanity is a body on globe EARTH with about*  
**7.500.000.000 cells,**  
*with 7.5 billion persons. Men, women, children.*

*98% of all are led by inborn programs of cooperation, of helping each other, of mastering difficulties in teamwork. Cooperation is the motor of civilization, of becoming great and powerfull, of getting control over the powers of nature.*

*About 2% of all have defects in a special inborn program, **resulting in attacking and damaging the majority.***

Of course not openly, but disguised **as wolves in sheep's clothing**, as partisans, as TrojanHorses, as infiltrants, with indirect operations, with fault flag operations, with all known strategies of producing damage hidden behind scenes.

*Sick child in adult body*

*Child Bill Gates, full of prank-joy:*

*I have played a bad prank. But I reveal nothing!*

*Pressing the lips firmly together means: "I reveal nothing!"*

*The eyes, fixing the victim, sucking in information out of the corners of the eyes. Head already turned away, ready to flee. Though adult and strong, he shows the flee-pattern of a weak child.*

*Chief Justice of Supreme Court John Roberts is showing the same **after-prank-pattern** after his prank to block control by the court after obvious election fraud: the lips firmly together "I reveal nothing! I reveal to nobody, that I have played a bad prank to Trump and the US-Nation".*

*Looking back out of the eye-corners on victims, head and body already turned in flee-direction*

**Disease develops, when one organ gets weak, making it impossible to support the other organs as well as normally. A special form of severe disease develops, an auto-immune-disease develops, when one organ starts to attack and to damage the other organs. The 2%-group with a defect inborn program is attacking the 98%-majority. Thus here we experience a kind of auto-immune-disease of humanity.**

*In earlier times the attacking and damaging group was smaller, 1% of all, and weak, with few tools to damage others. It grew over 1.5% to 2% now, becoming at the same time richer, getting more power, getting more attacker-tools, acquiring more intelligence. That's why it is now a greater danger than ever, a deadly danger for humanity indeed.*

*Thus: we have to stand up and to heal the defect program inside of them, which changes normal people into senselessly attacking and senselessly damaging other people.*

*It is really senseless and really crazy! They use to attack everybody, whom they find weak enough. They attack as soon as they think, that they can damage successfully. Continuously they are looking around for weak victims, driven by that defect program in their heads. It is brain disease! Nothing else! But it does not look like that from outside. The defect is hidden in a corner of their brain. With the rest of the brain, which is normal, they can behave normally. So they hide behind a semblance of normality and can play the game perfectly. They are dangerous enemies!*

*Sometimes however they are switching between the normal and the sick part of their brain. Then you have a chance to observe that. You have to watch carefully. You have to know **face-patterns**. You have to know, in which parts of their faces signals of sick emotions appear. For some seconds sometimes. Or for as short as a quart of a second only.*

*A bit of training helps you.*

*First hint: watch the edges of their lips !*

*Second hint: Observe the activity of their eyes ! Fixing eyes? Sucking eyes? Observe the activity of their eyes, while laughing ! Normal laugh, with eyes going inside in joy, with eyes going around, with eyes looking far away? Or laugh with fixing eyes, sucking in information of you and your emotions? Trying to catch your state of mind, your vulnerability or your being hurt? Study the after-prank-pattern, APP !*

*Third hint: If your opponent is bearing a pokerface, which does not meet the situation, then become alert. Pokerface is for many 2%g-people with very strong sick emotions the only way to suppress the wish to laugh over damage, damage coming, in preparation, or damage already made. Pokerface is their only way to hide the lustwaves, hitting them inside.*

*At once you will understand, what is going on:*

*As soon as you have got it, you can stack experience on experience, all of the same kind, supporting the correctness of the solution of the riddle:*

*The explanation for the embarrassing happenings is simple: explanation for a world of evil, with mountains of damage, indirectly created: health damage, property damage, trillions of dollars, by money-manipulation, property gone to the billionaires, and once more property damage and liveability damage by stealing, robbing and hiding big innovations, senselessly, f.i. several – not only one, but several – technologies to produce free clean energy and letting people around the world pay another trillions of dollars for dirty energy and live in a polluted environment, senselessly polluted (The damagemakers must live themselves in the polluted environment, showing the senselessness of their activities clearly) and loss of millions of lifes through ignited wars:*

*the 2%-group is playing pranks, evil pranks. The persons of the 2%-group are playing evil pranks all their life, in large groups or in small groups, all kinds of damage games. More damage means more lust. They enjoy it deeply. They enjoy it as children, in the child-corner of their brains. It is the ppp-program, the well known playing pranks program, active within healthy children between age 7 and age 11, which is active in their heads in a distorted form: 1. without damage-limitation, and 2. life-long running. This defect ppp-program, dppp, is causing the whole trouble. They inherited a defect gene, the Dppp-Gene, DpppG, which caused defect brainstructures in one brain-corner, in the child-corner, and this causes the Dppp-Disease, DpppD, the crazy behavior, damaging others senselessly.*

*Enjoying big damage, damage without damage-limitation, enjoying evil pranks without conscience: you can watch it. Check it out and stack observation on observation!*

*In normal healthy children between 7 and 11 the ppp-program, enclosing the damage-limitation-program*

*(dlp), is activ. Dlp allows children to make small damage. En enjoy it deeply. Dlp forbids children to make big damage. Dlp gives children a bad conscience, a bad feeling, if they make big damage.*

*Dlp does not run within the people of the 2%-group. They enjoy damage, small or big, deeply, without getting a bad conscience, without bad feelings. They don't have conscience. Conscienceless people. Not normal ! Sick people ! Born with DpppG, the Defect Gene, and with the devastating brain Disease DpppD.*

*Dppp-Disease is the evil power behind organized wars. Who could think this out? The 'harmless' and funny ppp-attack-program of children the background of the big attacker-events, the organized wars! WW1, WW2 and now WW3. Surprising reality! See below a WW3-warrior, the crazy child Bill Gates in an adult body.*

*Why do you press your lips together, Bill?  
What do you want to hide? Your vaccine damage prank?*

*The sick persons of the 2%group,  
placed between Dppp-Disease, DpppD,  
and us, the victims, the 98%group,  
are **only the tools** of DpppD to attack and to damage us.*

*The chain of cause and effect is:  
DpppG >> DpppD >> sick 2%group >> we, 98%group  
or, more elaborated,  
DpppG >> DpppD >> 2%group >> tools of 2%g>> 98%g*

*Does it make sense to start now a counter attack  
against the 2%group, while DpppG and DpppD are  
outside of our sight and attention?*

*Sure not ! 2%g is not the origin of the problems, but  
only a tool of DpppG+DpppD, the true origin of the evil.*

*Thus: we have to start an attack on DpppG+DpppD,  
a big operation to heal the 2%-group from DpppD.*

*Our gene-science is able to manage that.*

***The origin of the evil is located.** It's a tiny cause with a  
giant effect. Most probably we can get it under control.*

*Let's have a look now on the tools of the 2%group!*

*DpppD is using 2%g als a tool.*

*So DpppD is indirectly using the tools of 2%g.*

*What are the tools of the 2%group*

*to organize WW3, running since 2019?*

*a. Money-Power. Big Money of the sick billionaires*

*b. Media-control. Big parts of the MSM-media are property of the billionaires. The rest is under their control.*

*c. Lie strategy. Brainwash strategy.*

*Silencing unwanted facts to death*

*(follow 2 media-channels, a normal and critical media-channel, and a MSM-media-channel – then you can see it easily)*

*spreading half and whole lies to brainwash people.*

*d. Bio-weapons, just actual now. Viruses!*

*e. chemical weapons, Chemtrail-weapons, waiting.*

*f. hungerdeath-weapon, as used 1945-1948, waiting*

*g. 5G-radiation-weapon, installed, rolled out,*

*h. lockdown dictatorship, active and getting denser*

*h. vaccines with hidden components to thin out population (expression of Billionair Bill Gates).*

*Depopulation. Genocide. **They aim at large scale genocide!** They even admit it openly. The Great Reset!*

*People with brain-disease DpppD, the lust-damagemaker-disease, have written threir WW3-script, investing many many years, and have started the attack on us, the 98%-group.now!*

***It is a 2%-group.***

*As soon as a bigger part of our 98%-group has got it, we can wash their weapons away, get them and treat their disease.*

*That has to be done now.*

*Become engaged !*

*In their core they are children.*

*When we start pressing them,  
rely upon, that they will panic and start making big faults*

*Once more, Bill: What do you want to hide?  
Your genocide-plans, based on the vaccine weapon?*

*Their weak virus-weapon Corona Covid19 is in action\*, has been spread. We can suffocate the first Corona-virus and the "mutations" Their 5G-weapon is in action. We can dismantle the antennae easily. The lockdown-weapon is realized. Big protests are already running. We can breakdown the lockdown easily by saying "no" in big groups, with rubber-resistance-strategy, avoiding confrontation with criminal 2%g-police and with criminal 2%g-military.*

*Avoiding to attack their strong sides. See Corona-Holiday.jaaaa.net .*

*Attacking only their weakest side, their Big Disease DpppD.*

*The vaccine-weapon has been applied in first cases, with many even young people dead. (information, heavily suppressed by MSM). Much more people dieing as result of the vaccination than as result of the virus-infection. Of course they are hiding that, believing in the almightiness of their brainwash-technology to twist the truth endlessly. We can stop that vaccination-idioty by saying "no" and warning and spreading the facts.*

*We can even replace the bad and harmful vaccines with the new much better and harmless vaccines of the TU Delft. The digital vaccines.*

*The mRNA-"vaccines" of the WW3-attackers need minus70 Grad C conservation. Suddenly there are difficulties to deliver the planned*

*quantities. Maybe, that an insider with full view on the planned mega-crime of the crazy children in adult bodies has made his “no”-decision and turned the wrong switches to sabotage a bit, with result big damage to the plans of the lust-damagemakers.*

*Battles inside the 2%groep, using the bad-prank-strategy, are a reality of the disease also. During years of observation of the perverse DpppD-groups that has been registered*

*So their attack-machinery is vulnerable and we can make use of that. It makes sense to block their weapons. It doesn't make sense to kill the crazy children, playing their WW3-prank. It makes sense to heal them from their disease DpppD, the origin of the evil. The persons are merely tools of DpppD.*

*The sick children in adult bodies, playing their WW3-prank, have bad cards, if we make a fist, we, the 98%-group, the 98%-giant.*

*Group-actions make sense. Rubber-resistance is effective. See [www.Corona-Holiday.jaaaa.net](http://www.Corona-Holiday.jaaaa.net). The 2%-dwarf has not enough crews to be a match for big peacefull groups with intelligent pacifist strategy*

## Child Trafficker Mother Teresa Was Anthony Fauci's Mother

September 13, 2020 16

Parts of the DpppD-sick people have the ability to show **Honest Faces**, prank patter 5, pp5, as Fauci and his mother, Mother Theresa. So bad pranks playing groups put them in front. On the background right Mike Pence with pokerface, pp4.

Sealed indictment of Fauci includes charges of treason and mass medical malpractice  
Death penalty is waiting

Speaking fotos and pictures (see below) can be continued endlessly, 2% of all infected with the defect gene (worldwide 140 million) in dominant mode, developing the brain disease DpppD, defect playing-pranks-program-Disease, and more people in recessive mode. The actually sick people show malicious behavior, stay trying to damage others severely. By warfare f.i. , now WW3. There is only one common sense way to defeat this disease: eradication with gene-technology. For the short run pills can be developed to make the disease sleep. Adults don't need the ppp-program.

Pure evil

Pure disease

Pictures like this one have been circulating since decennia from hand to hand and on Internet, telling, what insiders know over evil happenings in the dark, hidden before the eyes of the great community, telling, that many political leaders of the community of nations as Blair, Bush, Clinton, Balkenende, EU-Timmermans and EU-TIMMERMANS

belong to the evil group, Trojan Horses of the RoRoMo-Cabal , busy with damaging the nations.

Now busy with WW3. Mega-genocide.

It seems, that WW3 of the crazy Satanists has awaked already a big part of society and will awake

more, will awake the Giant, the 98 %. The US-army is on the way to show the people, step by step, the black background of reality. With bunkers deep in the ground beneath Capitol and White House, with thousands of children, tortured until death, and others still alive, ready fore misuse by pedophiles and by lustmurderers. Waiting for our help. Become active, before it is too late !

There are more Torture-Bunkers ! Perhaps also beneath Reichstag in Berlin and Binnenhof in Den Haag, NL. Who knows? Did You already control these regions? Did you already give experts the order to cotrol for you?

Does pokerface-Merkel tell you the truth? Did she ever do the Truth-Test? [www.TT.jaaaa.net](http://www.TT.jaaaa.net)

Why are you content with her Honest Face, pp5 ? Or her pokerface, pp4 ?

It is the most hidden and most dangerous disease.

Disease is part of the world.

Disease can be healed. Having done this, life can go on. IT IS JUST THE EFFECT OF A DEFECT GENE.
