

Truth-Tests and Corona

We wish, that journalists in the MSM-media, speaking of Covid19-”vaccines” as of something positive and not of dangerous biological war weapons, have to answer the question “Are You speaking deliberately the falsehood?” on the Truth-Test (TT).

We, the citizens, wish, that M. Rutte and members of his government, when urging the citizens to take Covid19-”vaccinations”, have to answer on the Truth-Test the question “Are You pushing citizens deliberately into the Covid19-trap?”

Dr. Fauci (foto), one of the main persons in the Covid19-swindle, now arrested by the US-Army and in prison, has confessed, that the *mRNA-”vaccines”* are no vaccines, but biological war weapons of deep state, the Huns, the bankers, *made for genocide*. Really! Silenced by MSM. What does this say over MSM? To conduct a Truth Test, see www.TT.jaaaa.net, one needs only an EEG to measure brain activity, and a special question-technique: asking only YES/NO-QUESTIONS, as above. In case of a YES-answer, big brain activity is to be seen in the EEG: a peak in the sinus-curves. The brain answers always, and always truly. See Prof. Rykken!

4000 burgers hebben bij de politie tegen M. Rutte aangifte gedaan. Waarom? Wegens crimes against humanity, support of genocide. TOP-Experts hebben in een 400 pagina Boek De Misdrijven van Mark Rutte beschreven. What is aan de hand? Is Rutte een showspeler, een TrojanHorse van deep state? De Truth-Test brengt het aan het licht.

We have to find and block the entrances of the underground tunnel- and bunker-system, the retreat area of the dp-st-group, by asking info-carriers of dp-st on TT, where they are. (5 fotos). TT is stronger than a big army of soldiers. TT makes it simpel. Until now most people don't have an idea, what TT is. People must learn, what TT means for survival and freedom.

By applying TT *now* in all delicate cases, we win WW3 easily.

TT is the key to truth. Truth is the fundament of society.

Underground-threat in Europe

The Truth-Test is stronger than 10 million heavily armed soldiers

If people don't start now, after Fauci's confession, to learn all about the truth-test and its possibilities, then they are really without any responsibility. Then they fail to fulfill their duty to protect the children and themselves.

If the attackers, the Huns, the Bilderbergers, the bankers, the Multi-Billionaires, these deepstate-people, come with their usual argument; "It's all complot theory: Fauci's confession, our said WW3-attack with bio-weapons!" how can you decide then, what is true? Let's ask US-Biden with his complot-desinformation-story to come on the truth-test Let's put the complot-pretenders here via our honest police on the truth-test and ask them, in front of running video-cameras of TV live the simple question;

"Are you speaking deliberately the falsehood?"

Then we shall see the peak: big brain activity: means "Yes",
Then we have a fundament to take action: redesign the media, redesign the government. Truth is the fundament. TT is the tool to find the truth.

***Let's use the Truth-Test from now on and get certainty !
The Truth-Test is stronger than a big army of soldiers !***
